<u>Gift Aid your admission and you will be granted 12 months free admission to the Cathedral.</u>

If you are a UK Taxpayer and meet the requirements detailed below, you can Gift Aid your admission as a donation to St Paul's when you purchase your tickets at the cathedral or via the St Paul's Cathedral website. You will be entitled to 12 months free entry at no extra charge for you and it will help support and maintain this great building.

I confirm I would like Gift Aid to apply to this single donation. I am a UK taxpayer and understand that if I pay less Income Tax and/or Capital Gains Tax in the current tax year than the amount of Gift Aid claimed on all my donations it is my responsibility to pay any difference. I understand that St Paul's Cathedral will claim Gift Aid of 25p for every £1 in my donation.

The admission tickets ordered must be for your personal use or for members of your family residing at the same address only. Non-family parties and those at separate addresses must each make their own donation and Gift Aid declaration.

In order to claim Gift Aid on your donation we need to collect your name and address. If you Gift Aid your entry you will be given a grace period of 30 days from your statement date to decide whether you would like to cancel your Gift Aid declaration.

You may alternatively make your admission a donation to St Paul's without Gift Aiding it and still receive 12 months free entry at no extra charge.

Please note that the 12 month free entry passes are non transferable.
