

## Press Release

### **Giant screen to extend the festive cheer at St Paul's this Christmas**

**Monday 9 December 2013**

A giant screen will relay three of St Paul's Cathedral's most popular Christmas services this December, allowing thousands more people to experience the worship and music taking place inside.

Owing to the enduring popularity of Christmas services at the Cathedral, which often see many thousands more people queuing to enter than can be safely accommodated, the large screen will be placed in Paternoster Square, in the shadow of Wren's great church, allowing everyone the chance to experience the services live.

The screen is sponsored by [Oxford Properties](#).

**Tuesday 24 December, Christmas Eve**
