One Access to Learning to Bundle is available per class. If you are a **Self-guided Group** and would like to use the resource, please get in touch with us at learning@stpaulscathedral.org.uk and we can see if an Access to Learning Bundle is available. This is not currently guaranteed. If you are booking to attend one of our **Family Events**, please get in touch if you would like to book a bundle.

Post **Covid-19** we ensure our Access to Learning Bundle items are quarantined for 72 hours and then cleaned between bookings. For those that are anxious about visiting, please feel free to use our **Visual Story** to help prepare them for your trip.
